## STATE BOARD HEARING ON ADAMS SCHOOL PLAN DELAYED

Notices will go out next week from the office of County Superintendent of Schools M. Francis Coulson to all school districts in the county telling them of a change of date for the state Board of Education hearing on the appeals from the Adams County plan of school district reorganization.

Previously set for October 9, the hearing has been set back to 10 a.m. Wednesday, November 4.

The change was decided upon this week at a prehearing conference at Harrisburg when legal counsel for all of the districts involved and for the York and Adams County Boards of School Directors gathered at Harrisburg to discuss hearing plans.

### YORK PLAN ALSO APPEALED

Conflicts on the October 9 date and the need for a full day to devote to the Adams County hearing led to the date change.

The Adams County Board of School Directors last May 21 adopted a six-unit plan on a three to two vote. East Berlin borough, Staban and Mt. Pleasant Twp. have appealed, seeking to have the county formed into a single school district. Conecago Twp. has appealed, asking that it be included in the Hanover School District and Mr. Sherrystown in the county's high schools. Arthur M. Gordon, chairman of the committee, reported today.

Theme for the essays will be "How the Handicapped Are Overcoming Barriers to Employment in the Community."

Gordon said letters are to be sent local industries and organizations seeking donations for the awards to be presented to the youngsters winning the contests.

### LEGAL BRIEFS FILED

Attending the prehearing conference in addition to the secretary of the state board, Severino Stefanoni, and a deputy attorney general, were Adams County Superintendent of Schools M. Francis Coulson; Attorney Eugene R. Hartman, solicitor for the Adams County Board of School Directors; Attorney Edward B. Bulleit, representing Conecago Twp.; Attorney Ronald Hagaman, representing McSherrystown borough; Attorney Gerald Walmer, representing East Berlin, Mt. Pleasant and Straban Districts; York County Superintendent of Schools Joseph Wilson; legal counsel for the York County Board, and the Hanover school superintendent and counsel for that district.

Legal briefs were submitted at the conference by counsel for all of the appellants from this county and Hanover School District.

Judges for the contests are to be selected in the near future.

### TO GIVE AWARD

The essay and poster contests will be part of the promotion of Employment of the Handicapped Week, scheduled to be held October 4 to 10.

Township Policeman Carl Shaffer said James D. Timmins, 29, Hanover R. 5, driver of the car, suffered three rib fractures, and William McIntire, 30, New Oxford R. 1, a passenger in the auto, sustained a fractured jaw. Both were taken to the York Hospital for treatment.

## BLAME STOVE IN DEATH OF EX-COUNTIAN

A faulty kerosene stove was blamed by fire officials today for the death of Dale J. Emlet, 50, in his Carlisle home Thursday night.

The funeral services for Mr. Emlet will be held Monday morning at 10 at the funeral home at 630 S. Hanover St., Carlisle, and burial will be in the Sunnyside Cemetery, York Springs. There will be no viewing.

Mr. Emlet was born and reared in Adams County and was a construction worker. He was a son of the late George E. and Bell (Herman) Emlet.

He had resided alone in a one-story frame house in Carlisle. Late Thursday night neighbors awakened to find the house a mass of flames "as if there had been an explosion." Firemen removed Mr. Emlet from the building, but he was pronounced dead on arrival at the Carlisle hospital.

Following investigation Friday Carlisle Fire Chief Ray E. Kelley said the "fire was caused in all probability by a malfunction of a kerosene stove."

Mr. Emlet's first cousin, Jacob Eugene Emlet, 47, York Springs, was killed instantly June 14 a mile north of York Springs on the new Route 15 when a tractor-trailer smashed a Paul Wolf's Garage car in which Jacob Emlet had gone to the assistance of another vehicle, and then smashed the other car, owned by a Steelton couple.

## Home Of Mayor Of Natchez Rocked By Blast; Is Third On His Property In 11 Days

NATCHEZ, Miss. (AP) - A jarring explosion shook the home of Mayor John Nasser last night and he blamed the bombing - third on property he owns in 11 days - on his role as a racial peacemaker.

There were no injuries. Damage to the two-story, columned home was extensive.

Almost simultaneously, a loud blast 15 blocks away tore a hole in the driveway outside the home of Willie Washington, a Negro contractor whose house was bombed once before this summer. Again there were no injuries and property damage was limited to shattered windows.

### ARREST SUSPECT

Within an hour, police picked up an unidentified Negro man who they said was a suspect in the bombing of the mayor's home. Police declined to give any details.

"I don't believe it was done by colored people," Nasser told The Associated Press. "I believe it was done by white people. But it could have been either side. I'm trying to keep peace in this community."

## 4 - H WEEK TO BE MARKED BY 700 MEMBERS

Adams County's more than 700 4-H members will mark National 4-H Week starting today. The week extends from today through October 3.

The observance comes annually at the conclusion of the club year for the agricultural and home economics groups and the organization period for the "winter clubs" of the organization.

During the year just closing, there were 434 youths in agricultural clubs and 345 in home economics clubs. They completed during the summer 941 projects, 559 of them in agricultural and 382 in home economics. There are two community clubs in which members carry both agriculture and home economics projects, seven county-wide clubs such as Baby Beef and Dairy Calf, nine agricultural clubs and 19 home economics clubs.

During the coming week, various clubs plan to place window displays encouraging boys and girls aged 10 to 19 to join in the 4-H activities during the coming year.

County Agent Duane G. Duncan and Extension Home Economist Mrs. Helen Tunison said the emphasis in 4-H work has changed during the 50 years of the organization's existence nationally. The clubs started to teach farming and homemaking. They continue to have that function "but the emphasis is more on teaching youths to accept responsibility, become leaders and good citizens."

Objectives of 4-H club work were listed as: "Gain new knowledge, skills and attitudes through real-life experience, realize the satisfactions and dignity of work, develop leadership talents and abilities, recognize the value of research and learn the decision-making processes, understand how agriculture and home economics contribute to the economy and human welfare."

"Explore career opportunities and continue needed education, practice healthful living and constructive use of leisure time, appreciate nature and apply conservation principles, strengthen personal standards and citizenship ideals, cultivate desire and ability to cooperate with others."

## Baby Suffocates In Crib Friday

Tammy Marie Noble, aged six months and 17 days, Gettysburg R. 5, suffocated in the crib at her home in Bonneville Friday afternoon. Her body was found by one of her seven brothers and sisters but efforts to revive the child were in vain.

Dr. C. G. Crist, Adams County coroner, listed the case as accidental suffocation and said the child's head was caught between the mattress and the side of the crib.

The little girl was the youngest of eight children of Merle Robert Noble and Betty Zane (Zartman) Noble. Surviving in addition to the parents are these brothers and sisters: Merle R. Jr., Jo Ann, Beverly, Mary, Doris, Randy and Raymond, all at home; and a grandfather, Ervin Zartman Sr., Spring Grove R. 3.

The funeral services will be held Monday afternoon at 2 o'clock at the Wetzel Funeral Home, 549 Carlisle St., Hanover, with the Rev. Harvey M. Light, pastor of Dub's United Church of Christ, officiating. Interment will be made in the Mt. Olivet Cemetery at Hanover. There will be a viewing Sunday night from 7 to 9 o'clock at the funeral home.

## State Checks For Schools On Way

State checks helping member school districts of the Gettysburg Joint School System to meet rentals on an addition to the junior high school building, the Keefeauver Elementary School and the senior high school building are being sent from Harrisburg, according to information received by the office of County Superintendent of Schools M. Francis Coulson.

The checks will include \$7,316.55 for Cumberland Twp.; \$3,965.26 for Franklin Twp.; \$9,468.84 for the Gettysburg Area Merged District; \$1,862.12 for Mt. Joy Twp., and \$5,308.83 for Straban Twp. Since the Mt. Joy sum covers rentals paid before the township school district was divided earlier this year, it may be necessary for that sum to be split between the Mt. Joy Twp. District and the Mt. Joy Twp. Independent School District.

The upcoming payments by the state also will include \$4,070.97 for Franklin Twp. toward rentals on its recent addition to the building at Cashtown.

The expected payments total \$31,992.57.

## YORK COUNTY 1863 EVENTS ARE REVIEWED

Details of the invasion of York County by Confederate troops just prior to the battle of Gettysburg in 1863 were reviewed Thursday evening by the Gettysburg Civil War Round Table at its meeting in the GAR home, E. Middle St.

George F. Kauffman, teacher of history at William Penn Senior High School, York, and president of the local round table, gave the talk, illustrating it with slides and numerous photographs of places where action occurred, and of leaders of the troops. A map of York County was used to illustrate the route of the invaders as they came from Gettysburg in late June, 1863, enroute to Wrightsville where they hoped to capture the bridge to cross the Susquehanna.

### CONSIDER OCTOBER TRIP

A Union home guard unit burned the bridge as the Confederates came in sight and as a result the trip was in vain. The Confederates, after providing assistance to the people of Wrightsville when the fire spread to homes, marched back again into Adams County, reaching Heidelsburg before they turned south because of the battle beginning at Gettysburg.

Martin Conway, National Park historian, gave the first of a series of five-minute talks on the various Civil War-connected National Park sites, speaking on Fort Sumter. The bombardment of Fort Sumter in 1861 began the Civil War. The Confederates took over the fort after Major Robert Anderson surrendered his troops, and it remained in Confederate hands until the war ended despite a 22-month siege during which Union guns hurled 3,500 tons of shells at the 2 1/2-acre fort in the Charleston, S. C., harbor.

The possibility of a Sunday trip to the Wilderness Battlefield in October, and attendance at a dinner at which Glenn Tucker will speak November 20 were discussed at the meeting.

## District Orchestra Event Coming Here

Gettysburg Junior and Senior High Schools will be host next January 14, 15 and 16 to the annual Southern District Orchestra which is sponsored by the Pennsylvania Music Educators Association.

The orchestra will be made up of about 150 instrumental students representing more than 50 schools in southern Pennsylvania. These students will be chosen from some 500 that will try out in December.

Neil A. Justice, school orchestra director here, is asking the community to open its homes for the visiting students.

The orchestra will give public concerts on the Friday and Saturday evenings of the three-day affair under the direction of Dr. Constantine Johns, professor of music education at West Chester State College.

### MCCLAINE VIEWING TONIGHT

Funeral services for Mrs. Walter N. McClain, 72, Fairfield, who died Thursday evening at her home, will be held Sunday afternoon at 2 o'clock at the Wilson Funeral Home in Fairfield. Friends may call at the funeral home this evening.

### TRUCK CATCHES FIRE

Heidelsburg firemen were called this morning when a truck caught fire along the Harrisburg Rd. about a mile north of Heidelsburg. Firemen found the blaze was out when they arrived.

## TRUCK UPSETS AND DUMPS 20 TONS OF COAL

Twenty tons of coal were dumped in the yard of George Smyth, about a mile north of Heidelsburg, this morning when a tractor-trailer struck another car and upset off the road.

The accident occurred about 6:30 o'clock when an auto operated by Harry Mumper, York Springs, and a Reading Anthracite tractor-trailer from Pottsville, Pa., operated by Robert Lewellyn, 22, Ashland, were both going south on the Gettysburg-Harrisburg Rd. near its intersection with the road to Rock Chapel.

According to witnesses at the scene, the truck struck the left rear bumper of the Mumper car, smashing it against the wheel of the auto and causing about \$50 damage.

### RUSHED TO HOSPITAL

The tractor-trailer then went off the road, bowling down three utility poles, and upset in the Smyth yard, coming to rest with its wheels up in the air, and with coal "all over the lawn and everything."

The York Springs ambulance rushed Lewellyn to the Warner Hospital here where he was treated for lacerations of the scalp, right hand and fingers. The Heidelsburg Fire Company was called when it was feared that the tractor-trailer might catch fire. The firemen helped to detour traffic around the scene.

Paul Wolf, of Paul's Garage, York Springs, called to remove the tractor-trailer, said it was completely demolished. After working about three hours, the York Springs tow truck was able to right the upset vehicle and remove it to the garage at York Springs.

# SNOW, HAIL IN SOME AREAS

By THE ASSOCIATED PRESS  
Hail, rain and even some snow — blown by gale force winds — spread across the Northern Plains today. The Weather Bureau said the storm area is headed for the Great Lakes region.

Pierre, S.D., reported winds up to 66 miles an hour and heavy hail, nearly two inches in diameter, accompanied a storm that fell over Fargo, N.D. Storms and thunderstorms were reported in many areas from North Dakota to the western Great Lakes.

In the wake of the storm, a cold wave sent temperatures tumbling in a line from Nebraska to northern California. Snow fell in western Montana and the Weather Bureau said it will spread to the mountain areas of Wyoming and Colorado by tonight.

In advance of the storm, heavy gust winds swept north from Texas to Minnesota.

Mostly fair and seasonable weather prevailed throughout the East and in the Southwest desert areas. Some rain fell in southern Texas and Florida.

## Out Of The Past

From the Files of the

TEN YEARS AGO

Gettysburg firemen were called this morning when an asphalt sealer being used by the highway equipment company on the Harrisburg Rd. caught fire and hot asphalt ran down over the tires of the tractor-trailer on which it was mounted. Damage was estimated at \$300 to two tires and brake linings of the vehicles.

The Acorn Club, said to be the oldest service club in the county, celebrated its 35th anniversary Wednesday evening at a dinner at The Willows. Twelve active members attended the affair. The club was organized in 1919 with 20 charter members, and the first project was to raise funds for the Annie M. Warner Hospital.

Plans to raise a fund among the 3,000 alumni of Gettysburg High School to purchase a grand piano for the new auditorium were outlined Wednesday evening at a meeting of the alumni council in the YWCA.

A total of 40 out of 552 cases on assistance rolls in Adams County will be decreased because of the increase in social security benefits.

Gettysburg's Junior Chamber of Commerce has recommended that the new elementary school be named for President Eisenhower.

Approximately 300 Adams County school teachers, active and retired, attended the 98th annual Institute today in Littlestown High School.

A stainless steel diner will be opened soon at the corner of Carlisle St. and Railroad St., according to Carroll M. Zentz, owner of the property, who said he had leased the lot to Earl Meisky, Newark, Del., for 10 years.

The medical staff of Warner Hospital will formerly inform the board of directors of the urgent need for enlarged and expanded facilities at the hospital.

Robert C. Spangler, 87, former school and music teacher and for 55 years a piano tuner in Pennsylvania and Maryland, died Friday night in the house in which he was born and had lived all his life, along the Emmittsburg Rd., south of Gettysburg. He had been in ill health for two years and was bedfast for the last month. He was organist at the Presbyterian church for six years.

"Al" Trainer, 20-year-old Gettysburg College sophomore from Lansdowne, is in the isolation ward of Harrisburg General Hospital with polio. He has suffered partial paralysis of the face and his case is described as "certainly not critical."

### THE LESSON OF SORROW

Life is accented by differences of opinion. But it is all placed upon a common plane when sorrow comes. Emerson has said that it "makes us all children again."

Certain it is that in sorrow we bow in humility and abnegation, helpless, but dependent upon those finer elements of our nature that are like golden cord uniting us all in a universal brotherhood.

A mere thought, or glance of the eye, from an understanding one is quite sufficient, when the tide of sorrow flows in. Comfort becomes invisible, as are also the tears of the soul. The lesson of sorrow is one of acceptance, of faith, and surrender. It is the common lot of us all.

In the midst of loss we are alone with all our remembrances of love and devotion. The period is one of heart cleansing and of nobler resolves to live out life in better fashion. The spiritual significance of sorrow is our own. God's hand alone remains permanent in our own. The wisest can give no satisfactory explanation. To each of us, made bereft, devolves the privilege of carrying on.

Sorrow is universal, like love. But it lacks the glow of love. Nevertheless it is spiritualizing. We are aroused to our responsibilities and our opportunities, through sorrow, as through few experiences in life. God's textbook is often difficult to translate into understanding terms, but sorrow gives to us many a correct cue. Differences of mind unite when genuine sorrow strikes near to all.

Those beloved by us in life add tints to every glow of beauty that we experience. But when they are gone from us the tints lessen in both beauty and brilliance, and we have but the remembrance to comfort us, as the invisible hands grasp our own.

Cannot we, therefore, look upon the larger plan of God, through which Nature works? There we witness continual birth and death, and yet a continuance of all the forces that give forth beauty and permanence, the rose of yesterday leaving its fragrance, undying, behind.

### FISHING THRILL

There was a bass upon his line!  
The man forgot his name  
And was it eight o'clock or nine?  
The place from whence he came;  
The malice of his bitterest foe,  
The slanderous words he'd said  
And for the moment, eyes aglow  
Was done with doubt and dread.

The man forgot the market rate  
Of coffee, spice or tea;  
All differences breeding hate,  
Pride, rage and jealousy;  
Forgot the failures of the past  
And last week's loss or gain,  
A bass had struck the hook he'd cast  
And freed the man from pain.

For those brief moments of the catch  
The world went rushing by  
Yet it possessed no sight to match  
The one that held his eye.  
Though he had troubled been before  
That stirring fight began  
The cares that lined the dusty shore  
Had ceased to fret the man.

Three minutes free! Or was it two?  
From grief and doubt and pain,  
How seldom from the cares that brew  
Such respite man can gain!  
Three minutes swept, of all the woe  
That crowds the minds of men,  
'Twere well if every man could go  
Out fishing now and then.

## YANKEE SWIM TEAM TO WIN 4 GOLD MEDALS

By TOM STUCKEY

Associated Press Writer

ANNAPOLIS, Md. (AP) —

The coach of the U.S. Olympic freestyle wrestling team closed out training camp Friday with a prediction that four of his eight wrestlers could win gold medals in Tokyo.

The United States took three first place medals in the 1960 Games, but has been able to manage only a third place finish in world championships since then.

But Coach Rex Perry, watching his wrestlers in their final training session at the Naval Academy, said they are in excellent physical condition, except for two minor injuries which should clear up before the Olympics.

### "BEST TEAM EVER"

Dean Rockwell, coach of the eight-man Greco-Roman wrestling team, said the group he will take to Tokyo would be "the best team that has ever represented the United States in international competition."

The United States began competition in Greco-Roman style only eight years ago, and so far has little to show for its efforts except experience.

"We are optimistic that we will make our best showing ever

in Tokyo," Rockwell said. He would not predict any medal winners, but said it was possible, "depending on the luck of the draw, and whether there are any injuries."

### I. GOOD CONDITION

Perry expects his best showing in the lighter weight categories, where Elliott Gray Simons of Norfolk, Va. in the 114.5-pound class and Dave Auble of Ithaca, N.Y., in the 125.5-pound class should both do well.

Two other good possibilities, he said, are Greg Ruth of Bethlehem, Pa., in the 154-pound category, and Dean Brand of the San Francisco Olympic Club in the 191.5-pound class.

"These four fellows are going to have to be taken into consideration," Perry said.

"The whole team is in good physical condition. If we can just keep them up emotionally, we will have a chance for a really good showing," Perry said.

The team left Annapolis today for Los Angeles and will fly on to Japan Oct. 1.

## Finkboner In Brilliant Form As Warriors Down Shippensburg High 19-0

One of the most counted upon cogs in the Gettysburg High School football machine is Dick Finkboner. The burly quarterback proved this Friday evening as he ran, passed, punted, kicked off, place kicked and scored as the Warriors copped their first contest of the season 19-0 over Shippensburg on Kurtz Field before approximately 2,800 fans.

Finkboner ran the ball exceptionally well and dazzled the fans with each step. When he couldn't run around the opposition he lowered his shoulder and ran through it. He passed seven times and completed five for 33 yards and one touchdown.

For the first time in three weeks Coach Dan Young was able to give the front line forces a break and let the reserves gain some much needed experience. He did this throughout the first quarter. Paul Wolf and Ron Newman did exceptionally well. Mike Keefer and Charlie Raffensperger also gave a fine performance. The men up front also deserve their share of the glory. Tom Hefflin, Dick Walker, Bill Deal and John Waybright were continually pressing the opposing runners before they hit the line of scrimmage.

**GHS SCORES EARLY**  
Gettysburg left little doubt in the minds of the fans witnessing the affair that Friday evening was their night. It was their turn to break into the Blue Mountain win column. After winning the toss of the coin and electing to receive the kickoff, the Warriors drove 60 yards on nine plays with Finkboner rumpling around right end and blasting for the corner with just under four minutes gone by in the game. Finkboner collected 46 of the yards on three running plays and one 13-yard aerial.

Gettysburg maintained that 6-0 lead through the rest of the first half, but looked as if it might run into difficulty towards the end of the second period. The Greyhounds gained possession on their 36 via a Warrior punt. The visitors then marched 56 yards to the Gettysburg eight.

Bill Hancock bolted right tackle for six yards, moving to the two. An illegal procedure penalty set them back to the seven, after Howie Bly slipped over on a sneak. Hancock again hit the end for four yards, but time ran out and Gettysburg led 6-0 at intermission.

The Warriors struck hard twice in the third period. After Shippensburg failed to move the ball following the kickoff, Gettysburg took over on the opponent's 36. On four plays Dave Perdue and Mike Herring toted the ball 27 yards to the nine where Finkboner reversed his field, lowered his head and crashed the right end corner for the score. After a five-yard penalty on the first good placement, the flashily quarterback stepped back to the 16 and again successfully split the uprights.

Three plays after the kickoff, tackle Tom Hefflin intercepted a Tom Ginnick pass and carried the ball back 13 yards to the Greyhounds' 21. Three more plays and Finkboner tossed to Ron Newman for an 11-yard TD throw. Newman took the ball on the three, bobbled it a couple times, tucked it under his arm and dashed over. This time Finkboner's placement attempt was blocked by guard Jim Pettys.

**JAYVEES IN ACTION**

Both teams were unable to advance the ball very much through out the rest of the game. The remainder of the contest was played between the 30-yard lines. It was in the final frame that Young utilized the services of the reserves.

Gettysburg, now 1-1 on the

**2 UNDER PAR TOPS TOURNEY**  
ORELAND, Pa. (AP) — Despite playing five-over par on the last five holes, Pete Trenham shot a two-under par 69 Friday to take the first round lead in the Philadelphia section Professional Golfers' Association championship at North Hills Country Club.

Trenham, a 27-year-old assistant pro at Philmont Country Club, was pursued by Buzz Garvin, Philmont head pro, who scored an even-par 71.

Tied at 72 after the opening round of the 54-hole tournament were Buster Reed of Valley Country Club, George Griffin Jr., of Green Valley, and defending champion Art Wall Jr., of Pocono Manor.

Wall, 1955 U.S. Golfer of the Year, was playing competitively for the first time since March when he suffered a pinched nerve in his neck.

Pat Schwab of Rock Manor, Philadelphia Open champ, won the pre-tournament driving contest with a 295-yard tee shot but could manage only an 80 in Friday's opening round.

## GIANTS WHIP REDSKINS IN LAST SECONDS

By TED MEIER

The pro football spotlight shifts to Buffalo, N.Y., tonight where the San Diego Chargers and the Buffalo Bills clash in what could be a preview of the championship game in the American Football League in December.

The older National Football League was in the limelight Friday night as the New York Giants rallied to defeat the Washington Redskins 13-10 on Gary Wood's touchdown with 39 seconds left to play.

A capacity 62,996 at Yankee Stadium booted the Giants when they fell behind 10-0 in the first half. But New York capitalized on a recovered fumble to turn defeat into victory, its first in the NFL after defeats by Philadelphia and Pittsburgh.

**8 GAMES SUNDAY**

The game kicked off the pro weekend. In addition to the San Diego-Buffalo game tonight, there are five NFL and three AFL games on Sunday and one NFL fray Monday night.

Sunday's NFL card finds the Chicago Bears at Baltimore, Cleveland at Philadelphia, St. Louis at San Francisco, Minnesota at Los Angeles and Dallas at Pittsburgh. In the AFL, Houston is at Denver, Kansas City at Oakland and the New York Jets at Boston. Green Bay is at Detroit in Monday's NFL attraction.

Washington appeared to have beaten the Giants when Jim Shorter intercepted a Y. A. Tittle pass with less than two minutes to go. But Charley Taylor of the Redskins fumbled and Bill Winter recovered for the Giants on the Washington 17.

**SCORES FROM 1**

Tittle passed to Alex Webster on the two, then was replaced by rookie quarterback Gary Wood of Cornell. Wood had been booted in the first half, but this time he came through. On fourth down he ran over from the one on an option handoff play.

The defending AFL champion Chargers are underdogs to the unbeaten Bills who have won two straight. Lance Alworth, the Chargers' leading pass receiver is out with a pulled leg muscle. The Bears-Colts, Cards-49ers, Browns-Eagles and Vikings-Rams shape up as the best of Sunday's NFL games. In the AFL, the Jets hope to spoil the Patriots' home opener by handing the Pats their first defeat.

## Phillies Lose Again As Cincinnati Spanks Mets Twice; Cards Beat Bucs

By MURRAY CHASS

Associated Press Sports Writer

"I can't believe it. It's beautiful, but I just can't believe it." That was Dick Sisler's reaction Friday night to the unbelievable pennant race that has developed out of nowhere in the National League.

Sisler, acting manager of Cincinnati, had just seen his Reds sweep the New York Mets 3-0 and 4-1. The victories, coupled with Philadelphia's 7-5 loss to Milwaukee in 12 innings, shot the Reds to within 1½ games of the floundering Phillies.

No one has been that close to the leaders since San Francisco was 1½ back August 4.

**PHILS LOSE FIFTH**

The Reds have won six straight while the Phillies, 6½ games in front at the beginning of the week, have dropped five in a row for their longest losing streak of the season. The Reds, with eight games remaining, have lost only one more game than the Phillies.

Worse still for Philadelphia, St. Louis has crept to within 2½ games and San Francisco to within 3½. Five of the Phillies' remaining seven games are with the Reds and the Cardinals.

Sisler, who took over from ailing Fred Hutchinson about two months ago, is happy with the Reds' present position.

**REDS ARE LOOSE**

"I don't think I'd change places with the Phillies," he said. "My team is loose and relaxed. They are tight. They're under terrific pressure. Less than a week ago, they had the flag all wrapped up. Now they can feel us breathing down their necks. They're uncomfortable."

As incredulous as Sisler might be, Philadelphia Manager Gene Mauch is even more so. At the same time, though, Mauch has a simple solution to his team's troubles.

"We have to win some games," he said.

That's what the Cardinals and Giants are doing. St. Louis defeated Pittsburgh 5-3 and San Francisco stopped Chicago 3-1. Los Angeles whipped Houston 7-2 in the other NL game Friday.

## WEST CHESTER UPSET 13-0

By THE ASSOCIATED PRESS

East Stroudsburg State College sprung halfback Barry Roach for touchdown runs of 69 and 81 yards and upset West Chester, 13-0, in a State College Conference game Friday night. In the first quarter Roach broke loose on a quick opener and went 69 yards untouched for the first East Stroudsburg score, as the visitors held a 6-0 halftime lead before an estimated 7,000 fans at West Chester.

In the third period the 171-pounder from Kingston, Pa., was momentarily stopped on an off-tackle slant, but shook off a tackler and went down the sidelines on a 81-yard sprint.

In Friday night's only other Pennsylvania college game, Mansfield State came from behind with two touchdowns in the second half to gain a 19-7 victory over Bloomsburg.

Bloomsburg gained a 7-6 halftime edge when Jerry Doto made a leaping catch of a 23-yard pass from Bob Kruzinsky and King Perry kicked the extra point.

The Mansfield Mountaineers came back in the third quarter with a 94-yard scoring drive climaxed with a 13-yard run by Frank Pavelko.

Mansfield added their final touchdown with less than a minute to play when Ron Moran intercepted a Bloomsburg aerial and went 30 yards to make it 19-7.

## Two Are Tied In Ladies' Tourney

VISALIA, Calif. (AP)—Kathy Whitworth of Jal, N. M., fired a two-under-par 69 Friday for a two-day total of 141 and earned a first-place tie with Shirley Englehorn in the Ladies Professional Golf Association \$11,000 open golf tournament.

Miss Englehorn of Caldwell, Idaho, first day leader, sagged to a one over par 73 after shooting a record 68 Thursday. Her two-day total is 141.

Tied for second place after 36 holes with par 142 totals were Mickey Wright of Dallas, Tex., and Ruth Jessen of Seattle, Wash.

## PITT TO FACE TOUGH FOE IN OREGON TODAY

PORTLAND, Ore. (AP)—Seven years ago at Portland, Pittsburgh beat Oregon 6-3 with a last-minute touchdown pass. The point spread may be similar tonight, but both teams should score more.

That is because two of the nation's finer college quarterbacks will be meeting head-to-head. Pittsburgh's Fred Mazurek, a strong runner and accurate passer, will duel Oregon's Bob Berry, who threw 16 touchdowns last season and started this year off with three more in a 20-13 victory over Brigham Young last week.

Both men remain from teams which had impressive records last year but do not figure to do well in 1964. Pitt finished with a 9-1 record and was ranked third in the nation. Oregon, with an 8-3 mark, beat Southern Methodist in the Sun Bowl.

Mazurek had plenty of help last year from halfback Paul Marth and fullback Rick Leeson. He has less help this year, as was shown in Pitt's 17-12 loss to underdog UCLA Sept. 12.

**GOOD HALF BACKS**

Berry was aided last year by standout halfbacks Mel Renfro and Larry Hill. Last Saturday, his passing was all that saved heavily favored Oregon from an upset at the hands of green Brigham Young. The BYU club outgained Oregon, but Berry's passing counted in the clutch.

Pitt has the better balanced attack because Mazurek is so dangerous on the roll-out play. Berry is a good enough runner, but would rather throw for the touchdown. He probably will have no choice against the traditionally tough Pitt line.

Oregon's first-string offensive and defensive lines are stout, but the depth is questionable.

The game will be the first of two consecutive Oregon contests with Pennsylvania teams. Oregon visits Penn State Oct. 3. The Saturday night game is rated about even in some quarters, but the local opinion leans toward a Pittsburgh victory.

**PITCHING** — Jim Maloney, Cincinnati, allowed only one hit, pitching the second-place Reds to a 3-0 victory over the New York Mets in the first game of a two-night double-header. The Reds won the nightcap 4-1 and moved to within 1½ games of National League-leading Philadelphia.

**BATTING** — Roger Maris, New York, drove in three runs with two homers, the second one coming in the ninth inning and lifting the American League-leading Yankees to their 10th straight triumph, 6-5 over Washington.

**GAME ON H.S. FIELD**

The New Oxford-Littlestown playoff game in the South Penn Baseball League Sunday afternoon at 2 o'clock will be played on the New Oxford High School field instead of on the Old Mill field, it was announced today.

Unbeaten Hanover High, stung by a third period score by Littlestown, roared back with three touchdowns to take a 19-6 York County League decision at Littlestown Friday evening in a hard-fought game before a capacity audience. It was the third straight win for the Nighthawks and the third loss in a row for the Thunderbolts.

Bill Heyser's underdog Bolt team appeared headed for an upset when it chalked up a touchdown midway in the third quarter after having held Hanover well in check throughout the first half.

Littlestown got its scoring drive started when Greg Myers returned a Hawk punt 24 yards from his 39-yard line to the Hanover 7. Two plays added two yards and a 15-yard penalty against Hanover moved the leather to the 20. After a running play lost a yard Jim Blocher tossed a six-yard aerial to Jim Strevig. Another pass by the same combination produced the score with 5:14 left in the third period. Myers' attempted placement for the point was blocked.

Up until that time Littlestown had permitted Hanover but one first down and a total offense of but 34 yards.

**HAWS STRIKE BACK**

Following the Littlestown score the Hawks truck back quickly to tie the count. Hanover returned the kickoff to the 17. Jeff Hoffheins, quarterback, playing his first game after being sidelined by an injury, passed to Tom Bowersox for 35 yards and a first down on the Littlestown 47. Bowersox blasted through center on the next play for 19 yards. It took four more plays to score with Bowersox plunging for the final three yards. Bob Smith, Bolt center, broke through to block Bowersox's kick for the point as the score stood 6-6 with 2:51 left in the period.

After receiving the kickoff, Littlestown was soon forced to punt to the Hanover 47. A 15-yard penalty set the Bolts back to their 38. Jeff Duncan and Bowersox juggled the ball on five plays with the former finally cracking over from the one-yard line with 10:11 remaining in the final quarter. Again the kick of Bowersox for the point was blocked.

**FUMBLE FOLLOWS STAND**

Late in the game Littlestown put up a fine goal line stand to take the ball on the five-yard strike after Mike Hoffman had intercepted a pass for Hanover to ignite a drive at midfield.

After halting the threat a Bolt fumble took place on the second play and Bowersox recovered on the nine. Three plays later and a Littlestown penalty, resulted in Bowersox plunging across. Bowersox passed to Duncan for the point.

Jim Strevig played a particularly outstanding game for Littlestown, intercepting a pair of passes, recovering a fumble as well as scoring the lone touchdown on a pass.

Littlestown will meet Susquehanna on the latter's field next Saturday evening at 8 o'clock.

## Apple Bruises Are Costly; Require Careful Handling

THOMAS E. PIPER  
Adams County Farm Agent

It pays to handle apples carefully because bruises on them hurt the pocketbook. From the time they are picked until they're eaten, apples may get a bruise from everybody who handles them. That means fruitgrowers who raise them, the storekeepers who sell them, and homemakers who use them.

From pick-time to sale time fruit may be handled more than a dozen times. Even if only a tiny bruise is made each handling, the total result could mean a financial loss to a fruitgrower.

Unprotected corners on grading and sizing machinery often do most damage to apples. Unless they are poured carefully from one container to another, whether by the picker in the orchard or the storekeeper, there is a good chance of apples getting bruised.

Having done a good job all season long in growing the fruit to the harvesting and marketing stage, don't lose all these gains by careless handling.

### BEWARE OF SILO DISEASE

Silo Filler's Disease, dangerous to both humans and animals, may result when ensilage is first put into the silo. If the silage is left undisturbed for a few days, nitrous oxide gas may be formed beneath the surface of the fermenting silage. This combines with available oxygen to form nitrogen dioxide, a yellow gas two and one-half times heavier than air. This gas collects on top of the silage and overflows down-

ward into chutes.

Inhaling these fumes causes irritation of the nose, throat and lungs and an asthma-like reaction. No other effects are noticed for a few hours; then a long congestion develops which can be rapidly fatal or relatively mild. Some people and animals recover without any after effects. Others develop repeated attacks of lung congestion with a gradual destruction of lung tissue.

To protect yourself and your cattle, observe these precautions: Run the blower for 10 minutes before going into a partly filled silo. Always keep the blower running while you are inside.

Be alert to irritating odors. Nitrogen dioxide is heavier than air and collects near the surface of the silage. The gas tends to settle in the silo chute and around the base.

Watch for yellowish-brown fumes. They are a sign of nitrogen dioxide gas. If the silo is dark, use a flashlight so you can see.

Keep children and animals out of the silo and away from it during filling.

After the silo is filled, wait

at least a week before going inside. Don't let the children or farm animals near it. If necessary, use a temporary fence to keep them safe.

Cattle standing nearest the chute opening are in the danger spot. Keep silo seepage away from animals. This juice may have a high nitrate content which is deadly to animals if they drink it. There can't be too much air circulation around a silo for the first month after the silo is filled. Exercise extreme caution when entering a silo which has been recently filled.

### SAMPLE CORN

Farmers contemplating use of the forage testing or DHIA-FT programs at the Pennsylvania State University should consider sampling corn silage as it is ensiled. This may be done if corn is harvested in the full dent to early glaze stage.

At this stage, both the yield of total digestible nutrients per acre and the TDN content of the silage is at a maximum. Also, the moisture content of the crop is such that no appreciable change in analysis will occur between ensiling and feeding out. If more

## WOMAN HELD IN STABBING

COATESVILLE, Pa. (AP) — Mrs. Annie Marie Huggins, 46, of Walstonburg, N. C., was stabbed to death Friday night in an argument in nearby Hayti.

Valley Township Police Chief Michael Svetchin and Chester County detective Thomas Frame said Mrs. Eloise Jefferson of Rock Run was being held in the slaying. She's in Coatesville Hospital suffering from injuries suffered in the fight.

The policemen said Mrs. Jefferson told them she went to Hayti Friday night and while there saw Mrs. Huggins and her daughter, Mrs. Jessie May Flemming of Hayti, getting out of Mrs. Jefferson's husband's car.

She said she went up to the car and began arguing with the women and during the disturbance she was struck over the head. Thomas Monteth, Chester County coroner, said Mrs. Jefferson suffered a serious injury to her left eye and may lose it.

## Heart Surgeon Flies To Peking

ROME (AP) — Dr. Achille Dogliotti, a leading Italian heart surgeon, has flown to Peking, touching off new speculation that Mao Tse-tung is ill.

Dr. Dogliotti left Rome Wednesday. Relatives said he would attend a medical congress in Peking.

Last month, reports circulated in Rome that the leader of Red China was ill and that at least two Italian physicians had been called to the capital.

A report from Hong Kong last Saturday said Mao and other top Communists would enter hospitals Oct. 1 for check-ups.

## Scripps-Howard Papers Back LBJ

NEW YORK (AP) — The Scripps-Howard Newspapers endorsed President Johnson Friday for election, supporting a Democrat for the presidency for the first time since Franklin D. Roosevelt in 1940.

An editorial appearing in the New York World-Telegram and Sun, and the 16 other newspapers in the Scripps-Howard Group, said: "Lyndon Johnson has impressive credentials, a long record of constructive national leadership. He has earned our country's confidence."

## AVERT STRIKE OF SWIFT FIRM

CHICAGO (AP) — A walkout of 10,000 workers at 15 plants was averted Friday when the United Packinghouse, Food and Allied Workers reached agreement on a three-year contract with Swift & Co., a few hours before a strike deadline.

UPWA members still must ratify terms of the settlement. The settlement provides annual 6-cent-per-hour pay increases, the first one retroactive to Sept. 7.

The average hourly wage in the meat industry has been \$2.38 an hour.

With fringe benefits, the new pact will be worth 34 cents an hour more to workers. Previous tracts expired Aug. 31, but were extended.

The Amalgamated Meat Cutters and Butcher Workmen of North America, settled with Swift earlier.

Provisions of the Swift pact include extension of the benefit period for hospital insurance from 70 days to a full year, two cents more an hour for night work and a continuation of rate for jobs affected by new equip-

## MAN KILLED IN BARROOM

WEST CHESTER, Pa. (AP) — Luis Andino, of Downingtown, was shot and killed in a bar Friday night and police are holding a man they say is a former inmate of the Farview State Hospital for the Criminally Insane.

West Chester police said Andino was in the Italian American Grill Friday night and was arguing with other patrons about the juke box. The police said Norman Jones, 44, who also goes by the nickname Apache Cowboy, walked in and without warning shot Andino in the chest with a 45 caliber pistol.

West Chester police said records show Jones was in Farview during the past year after being convicted of a charge of armed robbery.

Police said Jones told them there were hard feelings between him and Andino and that Andino pulled a knife on him earlier in the week.

He was held at the borough police station.

Swift negotiators also agreed to recommend to the Swift pension board that the company financed pension program be expanded.

Among Swift plants affected is one at Williamsport, Pa.

Warren Feathers, Claysburg, Pa., shows results he received by the Leslie Home Treatment Method. He did not have male pattern baldness.

## MEN AND WOMEN Hair Consultant Here Tomorrow; To Explain Hair Problems

The worst enemies of hair are neglect, mistreatment and improper hair care. A little time spent now may save a great deal of regret later.

Mr. T. C. Gordon will be in Gettysburg, Pa., at the Hotel Gettysburg, on Sunday, September 27, 1964. Hours 1:00 P.M. to 8:00 P.M. Come in and talk with the Leslie Consultant regarding your hair and scalp problems. Learn how you can treat yourself right in the privacy of your own home.

**FREE CONSULTATION**  
If you have dandruff, excessive hair fall, thinning hair, excessive oiliness or dryness, itchy scalp, or if your scalp is still creating hair you should take positive action at once.

You incur no charge or obligation by coming in for the consultation. We will tell you frankly and sincerely whether or not we believe you can be helped, how long it will take and how much it will cost.

**WRITTEN GUARANTEE**  
If you are accepted for treatment, you will be given a written guarantee for the length of time treatment is required, on a pro-rated basis. Nearly half of our clients are women.

Male pattern baldness is the cause of a great majority of cases of baldness and excessive hair loss, for which neither the Leslie treatment nor any other treatment is effective.

## GROUP FIGHTS AMENDMENT

LANCASTER, Pa. (AP) — A church group meeting here has expressed its opposition to constitutional amendments changing the U.S. Supreme Court ruling regarding "religion in the schools."

At its 135th conference, which closed Thursday, the East Pennsylvania Eldership of the Churches of God in North America resolved "to accept the challenge of the present situation" resulting from the court's recent prayer decisions.

The conference urged cooperation with other churches to plan additional "released-time" programs, enabling students to receive religious instruction out of school-buildings during school hours.

The group also recommended that churches support the establishment of public school courses in comparative religions and the Bible. The letter, the conference suggested, would be studied in the context of the humanities.

### "The Rogue", Sunday Evenings At 10, Is Like A Big League Movie; Stars Niven, Boyer And Young

By RUTH E. THOMPSON  
Rogues have something in common with Boy Scouts. Ethics.

Not the same ethics, of course. But, let Gig Young — one of the three big-time "Rogues" (David Niven and Charles Boyer are the other two) — say it this way: "Rogueship — a new word (I think) — is a tradition. Not the typical conscience, to be sure, but his own kind of conscience."

#### "NOT A SNOB"

"A Rogue — though at home anywhere in the world and in any stratum of society — is not a snob."

"With a Rogue, it's the game, not the gain, that counts."

"A Rogue, you will find, never takes advantage of innocence. We may outwit scheming females... but they're always equals... They know what they're doing."

"We may steal. But only from the evil... and only after 10:00."

And, oh yes, a Rogue, in fact every Rogue, is well-written. Otherwise Four-Star Productions or not, two-time Oscar Nominee Gig Young would have said "No, thanks." "Because I was burned by ten bad pictures in a row."

#### RAVE NOTICES

But there's still a later entry in the Rogueship Catalogue. The critics' initial reports have just been tallied. And, unless the Rogues are really careful, they could choke on all those laurel leaves. Raves!

It's all to the good from the viewer point-of-view though. In fact, it's all still so new, you can consider yourself on the ground floor if you haven't caught the first few (Sunday nights, NBC, 10-11 p.m.)

#### EVOLUTION OF ROGUES!

"As an actor you can't do

"The Rogues"... or at least the big-three thereof, gather for a family portrait. Their aliases (standing) Charles Boyer, (seated) Gig Young, David Niven. Light-hearted thievery of jewels hasn't had it so smooth since Raffles was a pup in the golden days of movies. The trio works their wiles Sundays, 10-11 p.m., NBC.

much good, if they don't put 'really exciting."

Seems in 1789 Sir Giles Flem-

ing and la Comtesse Juliette St-

clair met and fell in love while

both — by coincidence — were

Rogues' head writers. They'd

written the movie 'Come Fill

the Cup' which got me my first

Academy nominations.

"They first conceived this as

a series of the famous rogues

of history.

"Then it evolved into this won-

derful 15-generation Raffles- and

type thing and began to get off

with movie gems in "Pink

Panther".

Alec, however, could NOW be

considered semiretired. Likes

the easy life works only occa-

sionally. (Niven, though not

semiretired, likewise likes the

easy life. He's lured from his

European homes largely be-

cause he's a Four-Star owner

Tony Fleming — American member of the family — who's carrying the starring burden. Every other show.

"But don't fool yourself," is what Gig Young said in substance.

#### COOTE AND COOPER

"Robert Coote and Gladys Cooper will be on every show — she presiding from her London drawing room and cutting an occasional caper. Better than that you just can't get."

"Now Coote and I had worked together before this. We were once two of the 'Three Musketeers' in a dreadful all-star musical where Gene Kelly was D'Artagnan. You know what he did later for 'My Fair Lady' and 'Camelot' on Broadway."

"Gladys Cooper I hadn't met, but had had been kept enchanted about through a mutual friend, Bob Maxwell."

#### WHAT TASTE!

"What taste — both as an actress and as a human being. And what beauty. And what fun!"

"You know she makes you eat with her out-of-doors even when it's raining? And Maxwell says she took off late one night in the fog in her small wheeled car — in heavy fog — for her home 40 miles outside of London." He's further awed that the beautiful veteran of more than 50 years on the stage, recently drove herself across the United States.

#### EVOLUTION OF YOUNG

If it seems strange to you that anybody now, internationally known as "Gig" should find a real name like Byron Barr hard to live with. Well count it up — according to your own whim — either to show biz or human nature. The "Gig" evolved from an early movie role, and it stuck.

But whatever the name, this most polished of actors is a little amazed that he's become famed for the light touch. He still thinks of himself as "Dramatic." Comedy, he concedes, though, is the more difficult. (Continued On Page 6)
